

What happens and what's your attitude at a red light? During the Lenten Season, we ask you to "Go For GOD".

Every time you stop at a traffic light, gaze at one of the 4 questions. Instead of being impatient, grab a question and work with it this Lenten Season.

1. What am I thankful for?
2. What is a recent act or thought I regret?
3. Who should I pray for?
4. What is God's Will for me?

Share this with others and do this throughout the Lenten Season... as we are seeking to be strengthened in our prayer life as Christians and believers.
